

Oracle Grove

Cozy Book Nerd Bookmark

Cross Stitch Pattern

Welcome to Oracle Grove.

This Cozy Book Nerd Bookmark was designed for readers who believe there is no such thing as "too many books."

Whether you're marking your place in a favorite re-read, a cozy mystery, a fantasy adventure, or a new nonfiction rabbit hole, I hope this little project brings a bit of handmade joy to your reading life.

Finished Design Size

- 39 x 16 stitches

Materials

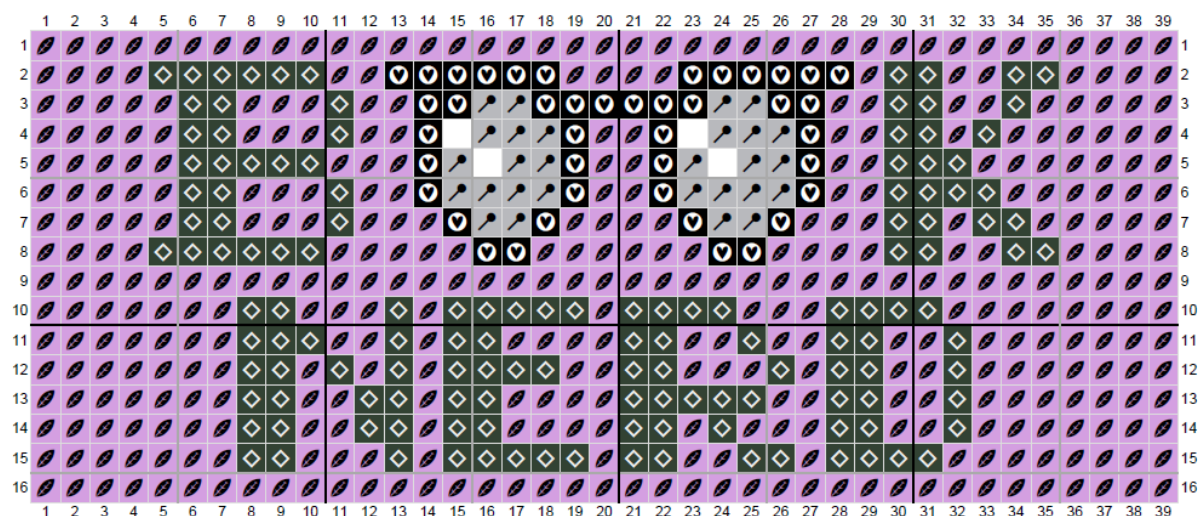

- 14 count Aida (or bookmark stock/plastic canvas)
- Black floss
- White floss
- Lavender floss
- Green floss
- Gray floss

Skill Level

- Beginner

Stitches Used

- Full cross stitch only

-  DMC 210 - Medium Lavender
-  DMC 890 - Ultra Dark Pistachio Green
-  DMC 310 - Black
-  DMC 415 - Pearl Gray
-  DMC B5200 - Snow White

Color Note:

DMC B5200 (Snow White) is used only for the four highlight stitches in the eyeglass lenses. If stitching on white Aida, you may choose to omit these stitches for a slightly different look.

The sample shown on the cover is a paper stock bookmark purchased pre-made for cross stitch, however, this pattern could be used on aida fabric or plastic mesh canvas as well.

If stitching on a 14 count aida, use 2 strands of thread. You may find that a paper stock or plastic mesh needs a bit thicker thread to avoid obvious holes or background showing through.

The sample was stitched using the following:

3 strands for lavender, green and gray; 4 strands for black and white.

If you wish to customize colors, choose something with high contrast between the letters and the background to maintain readability of the design.

Finishing Ideas

- Back with felt
- Mount to cardstock and laminate
- Stitch on plastic canvas for a sturdier bookmark

This pattern is provided for personal use only.

Please do not redistribute, resell, or share this PDF file. If you would like to share the pattern with others, please share a link to the Oracle Grove download page instead.

Thank you for supporting independent designers and helping Oracle Grove continue to grow.
